Dear Ms. Saunders:

You are correct; I do not need copies of the January 2010 or December 2010 EE/CAs at this time. For now, I am only requesting the July 5, 2011 Removal Action Memo and the five numbered documents listed in your email.

*Refined*

Thank you,

Hello Mr. Derscheid,  
Thank you for the prompt reply to my email.

Forgive me if I used the incorrect words in my previous email by stating that the UAO was re-established on May 23, 2012. I see now that the UAO was suspended on that date and, separately, an AOC was established on that date.

*Refinement*  
From your email I understand that you wish to receive copies of 1) Document Numbers 655962, 658492, 658469, 658476, and 658471 related to the UAO and AOC; 2.) July 5, 2011 Removal Action Memo. You do not need a copy of either the January 2010 or December 2010 EE/CA.

Please reply-all to confirm that I correctly understand the refined FOIA request.

Thank You, Noel

Dear Ms. Saunders:

*Refinement*  
Thank you for your reply to my request. It appears the ECHO and CERCLIS sites have been updated to reflect the information in your email since I requested the documents. I was not aware that the UAO had been suspended and re-established under the AOC. Accordingly, please send me all of the documents referenced in the PDF printout attached to your email (Nos. 655962, 658492, 658469, 658476, and 658471). I would also appreciate receiving the Removal Action Memo Decision Document from July 5, 2011.

Thank you for your help, and for clarifying the enforcement situation.

Best,

John C. Derscheid

**Subject:** EPA Freedom of Information Act (FOIA) Request #10-FOI-00311-12

Dear Mr. Derscheid,  
I am writing to you today regarding your Freedom of Information Act (FOIA) request number 10-FOI-00311-12, submitted on July 3, 2012, concerning records related to the Avery Landing Superfund Site. A copy of the request is attached to this email.

You asked for a copy of the Unilateral Administrative Order dated 4/12/2012. That record is available in electronic format as requested. Before we provide a copy of this record, we want to confirm that you are aware that this UAO was revised in May 2012, suspended on May 23, 2012, and that a new UAO was established on May 23, 2012. A PDF printout of document indexing of the relevant records is attached to this email. Please reply-all to this email to let us know if you wish to receive any of the May 2012 records in addition to the one requested. Please note that first 2 entries are a duplicate.

You asked for a copy of the Engineering Evaluation/Cost Analysis (EE/CA) dated July 5, 2011. There is no EE/CA for that date. Below is a list of records that are related to the EE/CA. Please let us know which of these records are of interest to you.

- January 2010 EE/CA written by Potlatch/Golder
- December 2010 EE/CA written by EPA
- July 5, 2011 Removal Action Memo Decision Document, which includes the EE/CA Public Comments Responsiveness Summary.

Please feel free to contact me with any questions you may have.

Thank You, Noel
